

educational program, Joyce also focused on the importance of positive development of not only our children's intellect, but their character development as well. She has placed great emphasis on the importance of team work, providing a productive environment, and has been an outstanding role model. For the last five years, she has been an ESOL teacher at Hillhouse High School, working with high school students in grades nine through twelve. Although Joyce has enjoyed working with students at all grade levels, she has a special place in her heart for high school students. I know she will be sorely missed by her students, friends and colleagues at Hillhouse High School.

Public education is the cornerstone of the American dream—leveling the playing field and providing every child with the opportunity to make the most of his or her talents. This is what Joyce has dedicated her life to doing for the past thirty-seven years. It is talented professionals like Joyce who truly shape the leaders of tomorrow.

In addition to her outstanding teaching career, Joyce has raised an exceptional son Danny, whom I adore. She is certainly more than a friend—she is family. Words cannot begin to express my appreciation and gratitude for the tireless support she has shown to me and my family over the years.

And so, it is with deep admiration and affection that I stand today to join her son Danny, her family, friends and colleagues in extending my sincere congratulations to Joyce Romanow as she celebrates her retirement. Joyce is a remarkable woman whose generosity and compassion has left an indelible mark on so many children whose lives she has transformed. Though she will be enjoying her retirement years, I am certain that Joyce will continue to keep a hand in teaching—her extraordinary dedication and kind heart making all the difference. I am happy to extend my very best wishes to her for many more years of health and happiness.

IN HONOR OF JOHN J. ROBOTTI

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 6, 2006*

Mr. FARR. Mr. Speaker, I rise today to honor a tremendous public servant. Mr. John J. Robotti will retire this month after 65 years of service to our nation. Beginning with his enlistment as a soldier in 1941 until his retirement as a civilian in 2006, John has made public service his life's work. I must say that it is truly remarkable to find a person retiring at age 85. I am proud to note that most of those productive years were spent in my Central California District.

John was selected for Officer Candidate School in 1943. His tours of duty included Europe, Asia, and the United States. In 1950 he met his wife, Marion, in Paris, France. They were married in Palo Alto, California in 1953, and now reside in Carmel. In 1960, he was the Executive Officer for the Squaw Valley Olympic Games, which are still remembered as one of the most successful games ever held. The following year he retired with the rank of Major from 20 years of active duty while stationed at Fort Ord, California. He

served as Chief of the Consolidated Supply Section of G4 at that time.

John began his civilian career immediately as the G4 Logistical Services Officer at Fort Ord. He went on to act as Administrative Officer, Chief of Maintenance, and Housing Manager at Fort Ord. He retires as Director of Logistics at the Defense Language Institute in Monterey, the premier language training institution in the world. In all, his civilian career spanned 45 years.

During his civil service years, John received exceptional evaluation ratings and numerous recognitions. He received the Meritorious Civilian Service Award in 1991, the Achievement Medal for Civilian Service in 1994, the Exceptional Service Award in 1995, and in 1996 he was given a 55 Year Award for Federal Service.

Mr. Speaker, it is my pleasure to applaud John J. Robotti, a person who has served his country with great distinction for so many years. I join with all his friends and family in honoring this talented man and his many achievements.

HONORING DR. JARRELL JACKMAN  
FOR 25 YEARS OF SERVICE

**HON. LOIS CAPPS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 6, 2006*

Mrs. CAPPS. Mr. Speaker, today I rise to pay tribute to Dr. Jarrell Jackman upon his retirement from his position as Executive Director of the Santa Barbara Trust for Historic Preservation.

Dr. Jackman has been a leader of the Trust for Historic Preservation for twenty-five years, as Historic Projects Administrator and, since 1987, Executive Director. In a unique partnership with the State of California Department of Parks and Recreation, the Trust operates El Presidio de Santa Barbara State Historic Park that attracts 50,000 visitors annually from Santa Barbara and around the world.

Under Dr. Jackman's leadership, the Trust bought and maintains the Mission Santa Inez Mills, preserving significant remains of mission-period grist and fulling mills. In addition to acquiring and maintaining historic sites, the Trust preserves the diverse cultural heritage of Santa Barbara through its research, interpretation, educational programs, archeological work, historic restoration and preservation efforts. They work cooperatively with local jurisdictions and with dozens of State agencies, museums, private foundations, schools, and businesses to ensure that the rich cultural history of the central coast not only lives on for future generations, but is accessible today.

The Trust has completed major construction projects for El Presidio de Santa Barbara State Historic Park: the Chapel, the Comandancia, the Northeast Corner and (the soon to be completed) Northwest Corner, making El Presidio the most fully restored Presidio in the United States. The restored Casa de la Guerra and El Presidio have become significant museums, hosting many lectures, performances, visiting exhibits and celebrations, due in large part to the dedication and expertise of Dr. Jackman.

Dr. Jackman served honorably on the Santa Barbara County Historic Landmarks Advisory

Commission and has consistently been a forceful voice for the preservation of county historical structures. Among Dr. Jackman's honors are the prestigious Norman Neuerburg Award from the California Mission Studies Association in February 2001 and the 2006 California League of Park Associations' Dewitt Award for outstanding partnership.

I have seen firsthand many of the great programs and preservation efforts of the Trust. We, as a community, have benefited greatly from the skill and leadership of Dr. Jackman. I am pleased to commend Dr. Jarrell Jackman for his dedicated service to the Trust for Historic Preservation and to the Central Coast.

HONORING JAMES D. DAUGHERTY  
OF BROOKSVILLE, FLORIDA

**HON. GINNY BROWN-WAITE**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 6, 2006*

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise to honor James D. Daugherty, a brave firefighter from Brooksville, Florida who is retiring after more than thirty years of service to our community.

Chief Daugherty was born in Kentucky on October 10, 1947 to Lilburn and Irene Daugherty. Serving in active duty in the U.S. Army from 1966 to 1969, James was stationed in Vietnam during the war. Later he joined the Florida National Guard and served there with distinction for seventeen years.

While stationed at Fort Stewart, Georgia, James came with a fellow soldier to Brooksville, Florida. He met his wife Juanita on a blind date and they were married on July 3, 1969. James and Juanita have one son, Jeff, and two grandchildren.

While Chief Daugherty has had a long and distinguished career, one specific incident with the Brooksville Fire Department in January 1978 had a lasting effect on him. Responding to an emergency call at a ditch cave-in while off duty, James dug in the dirt to help rescue the trapped men. Caught in the second cave-in, the one thing that stayed with him was the fact that they were communicating with the man that died when the second cave-in caught him in its wake. They were so close to saving him when the unthinkable second cave-in happened.

Promoted to Chief in 1999, James has had a long and distinguished firefighting career. In addition to his basic fire training, James has gone out of his way to advance his knowledge of life-saving techniques and procedures. He has an Associates Degree in Fire Science from St. Petersburg Junior College, is certified as an EMT, has attended Florida Smoke Divers School, is a Certified Wildland Firefighter, and has trained extensively in Emergency Management, Disaster Response, WMD, and in Hazardous Materials Response through the National Fire Academy and the Department of Homeland Security.

The dedication James has shown to the Fire Department is truly outstanding. Following open heart surgery in October 2002, Chief Daugherty went back to work as soon as his doctor would release him. He was determined that this surgery would not keep him down.

Mr. Speaker, throughout his years of responding to accidents and fighting fires,
